Per APIP Insurance Policy:

VII. REPORTING AND COOPERATION

- A.** The “insured” must see to it that the Insurer receives written notice of any “claim” or “pollution condition”, as soon as practicable, at the address identified in Item 7.a. of the Declarations to this Policy. Notice should include reasonably detailed information as to:
1. The identity of the “insured”, including contact information for an appropriate person to contact regarding the handling of the “claim” or “pollution condition”;
 2. The identity of the “covered location” or “covered operations”;
 3. The nature of the “claim” or “pollution condition”; and
 4. Any steps undertaken by the “insured” to respond to the “claim” or “pollution condition”. In the event of a “pollution condition”, the “insured” **must also take all reasonable measures to provide immediate verbal notice to the Insurer.**
- B.** The “insured” must:
1. As soon as practicable, send the Insurer copies of any demands, notices, summonses or legal papers received in connection with any “claim”;
 2. Authorize the Insurer to obtain records and other information;
 3. Cooperate with the Insurer in the investigation, settlement or defense of the “claim”;
 4. Assist the Insurer, upon the Insurer’s request, in the enforcement of any right against any person or organization which may be liable to the “insured” because of “bodily injury”, “property damage”, “remediation costs” or “legal defense expense” to which this Policy may apply; and
 5. Provide the Insurer with such information and cooperation as it may reasonably require.
- C.** No “insured” shall make or authorize an admission of liability or attempt to settle or otherwise dispose of any “claim” without the written consent of the Insurer. **Nor shall any “insured” retain any consultants or incur any “remediation costs” without the prior express written consent of the Insurer, except in the event of an “emergency response”. (Emergency Response coverage is limited to the first 7 days)**
- D.** Upon the discovery of a “pollution condition”, the “insured” shall make every attempt to mitigate any loss and comply with applicable “environmental law”. The Insurer shall have the right, but not the duty, to mitigate such “pollution conditions” if, in the sole judgment of the Insurer, the “insured” fails to take reasonable steps to do so. In that event, any “remediation costs” incurred by the Insurer shall be deemed incurred by the “insured”, and shall be subject to the “self-insured retention” and Limits of Liability identified in the Declarations to this Policy.
