FACT SHEET

RETAIL BROKERAGE vs. WHOLESALE BROKERAGE & SERVICE OPERATIONS

Many insurance brokerage firms, including Alliant Insurance Services, Inc., have affiliate and/or subsidiary companies that perform services associated with the risk management and insurance procurement process. Alliant has numerous and varied client relationships that involve any combination of Retail Brokerage, Wholesale Brokerage and other Loss Control or Risk Management Consulting work. In addition, Alliant's affiliates, such as Alliant Business Services (ABS), can provide clients with other services not necessarily directly related to the risk management or insurance procurement, such as Human Resources Consulting and/or Appraisal Services.

Normally when acting as our clients' "Retail Broker" Alliant will collect a commission as compensation, or have a *Fee for Service* compensation plan. Alliant will then have a written Agreement with clients, and that document includes full disclosure concerning the compensation we earn including wording similar to the following:

In addition to the commissions and/or fee that the Broker receives, Alliant Underwriting Services (AUS), a division of a related entity, may receive compensation from the Broker and/or the carrier for providing underwriting services. The financial impact of the compensation received by AUS is a cost included in the premium. Also, the related entities of Alliant Business Services (ABS) may receive compensation from Broker and/or the carrier for providing designated, value-added services. Services contracted for by the Client directly will be invoiced accordingly. Otherwise, services will be provided at the expense of Broker and/or the carrier.

This contract language is in addition to the standard disclosure wording contained in Alliant proposals. At the bottom of this **Fact Sheet** we have attached what we include on our Standard Proposals. (Additional disclosure wording is also included on Alliant invoices.) Full disclosure is a key component of our client communication concerning compensation.

The **Retail Brokerage** activities, and Alliant's other services involved in Wholesale Brokering are distinctly separate. Our Retail Brokers and staff act as *advocates for the client* and are involved in the day-to-day delivery of services spelled out in our "Scope of Services." Such services would include ideas such as, negotiating terms and conditions of coverage, issuance of certificates, tailoring coverages to meet specific needs, and assuring that all lines of coverages are properly provided to protect clients' assets.

The **Wholesale Brokerage** activities are provided through Alliant Specialty Insurance Services (ASIS). These include administration of programs that Alliant affiliated companies manage and/or underwrite, and involve separate functions from Retail Brokerage service. Alliant Insurance Services, Inc. has other operations including, AUS and ABS, which provide non-retail brokerage services. The inclusion of these Wholesale Brokerage activities into a program has additional advantages that accrue to clients, primarily in the realm of cost savings, as these activities can generally be provided less expensively by the Wholesale Brokerage operation than they can by a traditional insurer. This is especially the case when a program is large or complex.

As in any business, the cost of services will vary year by year based on program size, underwriting authority, and other factors. AUS receives compensation from carriers for which it provides underwriting and program administration services. There are numerous services involved in this Wholesale Broker function, including:

-  Underwriting new and renewal business for the primary/excess markets
-  PML Analysis
-  Claims Analysis
-  Program Management
-  Program Administration/Information Technology associated with program management.

AS JUST ONE EXAMPLE, the Alliant Property Insurance Program (APIP) - formed in 1993 to meet the unique property insurance needs of public entities – has grown from 65 members in one State to over 9,300 members in 45 States. This growth has fueled insurance cost savings for all members.

FACT SHEET

RETAIL BROKERAGE vs. WHOLESALE BROKERAGE & SERVICE OPERATIONS (Cont.)

To achieve Program results, **AUS** annually:

- ❖ **Underwrites** over 6,000 renewal applications,
- ❖ **Reviews** Statement of Values and associated COPE (Construction, Occupancy, Protection & Exposure) information for over 219,800 Program property locations,
- ❖ **Allocates** premium between 28 separate insurance markets,
- ❖ **Establishes** renewal pricing parameters in accordance with the underwriting/rating standards provided by the program markets, and
- ❖ Performs *Program Accounting* including individual member pricing billing, collections, and remittance to program markets.

Additional **ABS** services available to Program members include:

- ❖ **Loss Control Services** (no specific budget and can be tailored to individual clients).
- ❖ **Appraisals** (Buildings over \$5M appraised every 5-7 years).
- ❖ **Infrared Testing** (again tailored to the client but not an unlimited number of days).
- ❖ **Business Interruption Consulting** (assistance by Forensic Accountant in determining Business Interruption values).
- ❖ **PEPIP Solution Center** (24 hr. hotline to address Property Loss Control questions).
- ❖ **Webinars** (8-10 web based training sessions per year on Property related topics).

Alliant Insurance Services, Inc., our Retail Brokers and colleagues all strive to provide the high level of service expected from our clients at a competitive level of compensation that should be clearly understood and documented.

Commissions are customarily paid by the insurance carriers to their agents and to brokers as a percentage of premiums. In addition to the commissions that Alliant receives, Alliant Underwriting Services. ("AUS"), a division of a related entity may receive compensation from Alliant and/or the carrier for providing underwriting services. The financial impact of the compensation received by AUS is a cost included in the premium. Additionally, Alliant Business Services ("ABS") and/or Strategic HR may receive compensation from Alliant and/or the carrier for providing designated, value-added services. Services contracted for by the client directly will be invoiced accordingly. Otherwise, services will be provided at the expense of Alliant and/or the carrier. VII. REPORTING AND COOPERATION

A. The “insured” must see to it that the Insurer receives written notice of any “claim” or “pollution condition”, as soon as practicable, at the address identified in Item 7.a. of the Declarations to this Policy. Notice should include reasonably detailed information as to:

1. The identity of the “insured”, including contact information for an appropriate person to contact regarding the handling of the “claim” or “pollution condition”;
2. The identity of the “covered location” or “covered operations”;
3. The nature of the “claim” or “pollution condition”; and
4. Any steps undertaken by the “insured” to respond to the “claim” or “pollution condition”. In the event of a “pollution condition”, the “insured” **must also take all reasonable measures to provide immediate verbal notice to the Insurer.**

B. The “insured” must:

1. As soon as practicable, send the Insurer copies of any demands, notices, summonses or legal papers received in connection with any “claim”;
2. Authorize the Insurer to obtain records and other information;
3. Cooperate with the Insurer in the investigation, settlement or defense of the “claim”;
4. Assist the Insurer, upon the Insurer’s request, in the enforcement of any right against any person or organization which may be liable to the “insured” because of “bodily injury”, “property damage”, “remediation costs” or “legal defense expense” to which this Policy may apply; and
5. Provide the Insurer with such information and cooperation as it may reasonably require.

C. No “insured” shall make or authorize an admission of liability or attempt to settle or otherwise dispose of any “claim” without the written consent of the Insurer. **Nor shall any “insured” retain any consultants or incur any “remediation costs” without the prior express written consent of the Insurer, except in the event of an “emergency response”.** (Emergency Response coverage is limited to the first 7 days)

D. Upon the discovery of a “pollution condition”, the “insured” shall make every attempt to mitigate any loss and comply with applicable “environmental law”. The Insurer shall have the right, but not the duty, to mitigate such “pollution conditions” if, in the sole judgment of the Insurer, the “insured” fails to take reasonable steps to do so. In that event, any “remediation costs” incurred by the Insurer shall be deemed incurred by the “insured”, and shall be subject to the “self-insured retention” and Limits of Liability identified in the Declarations to this Policy.

APIP Pollution: Claim Reporting Fact Sheet

This page outlines the steps that should be taken BY YOUR ORGANIZATION, at the time of an environmental incident, to assure that the Pollution coverage offered with ACE through APIP is not jeopardized. We ask that you review this document and provide copies to all appropriate colleagues in advance of a possible incident.

Coverage under Pollution policies is dependent on specific compliance with claims and loss reporting; *especially* in the case of “Emergency Response” expenses that you may incur to address a pollution loss. For these “Emergency Response” expenses there is a strict seven (7) day window, following discovery of a “Pollution Condition” by the “Insured”, after which reasonable expenses will not be reimbursed unless the carrier has given prior consent. It is **extremely important** pollution exposures be reported **immediately**; and clearly no later than seven (7) days.

Although we ask that you fully review your policy and all its’ Terms and Conditions, we have highlighted some key sections of the ACE policy which address the **Emergency Response** issue and the reporting provisions:

III. DEFENSE AND SETTLEMENT C. The “insured” shall have the right and duty to retain a qualified environmental consultant to perform any investigation and/or remediation of any “pollution condition” covered pursuant to this Policy. The “insured” must receive the written consent of the Insurer prior to the selection and retention of such consultant, except in the event of an “emergency response”. Any costs incurred prior to such consent shall not be covered pursuant to this Policy, or credited against the “self-insured retention”, except in the event of an “emergency response”.

V. DEFINITIONS

F. “Emergency response” means actions taken and reasonable “remediation costs” 7 days following the discovery of a “pollution condition” by an “insured” in order to abate or respond to an imminent and substantial threat to human health or the environment arising out of such “pollution condition”.

T. “Pollution condition” means: **2.** The discharge, dispersal, release, escape, migration, or seepage of any solid, liquid, gaseous or thermal irritant, contaminant, or pollutant, including smoke, soot, vapors, fumes, acids, alkalis, chemicals, hazardous substances, hazardous materials, or waste materials, on, in, into, or upon land and structures thereupon, the atmosphere, surface water, or groundwater.

V. “Remediation costs” means reasonable expenses incurred to investigate, quantify, monitor, mitigate, abate, remove, dispose, treat, neutralize, or immobilize “pollution conditions” to the extent required by “environmental law”.

VII. REPORTING AND COOPERATION

A. The “insured” must see to it that the Insurer receives written notice of any “claim” or “pollution condition”, as soon as practicable, at the address identified in Item **7.a.** of the Declarations to this Policy. Notice should include reasonably detailed information as to: **1.** The identity of the “insured”, including contact information for an appropriate person to contact regarding the handling of the “claim” or “pollution condition”;

B. The “insured” must: **1.** As soon as practicable, send the Insurer copies of any demands, notices, summonses or legal papers received in connection with any “claim”;

C. No “insured” shall make or authorize an admission of liability or attempt to settle or otherwise dispose of any “claim” without the written consent of the Insurer. Nor shall any “insured” retain any consultants or incur any “remediation costs” without the prior express written consent of the Insurer, except in the event of an “emergency response”. (Emergency Response coverage is limited to the first 7 days)

D. Upon the discovery of a “pollution condition”, the “insured” shall make every attempt to mitigate any loss and comply with applicable “environmental law”. The Insurer shall have the right, but not the duty, to mitigate such “pollution conditions” if, in the sole judgment of the Insurer, the “insured” fails to take reasonable steps to do so. In that event, any “remediation costs” incurred by the Insurer shall be deemed incurred by the “insured”, and shall be subject to the “self-insured retention” and Limits of Liability identified in the Declarations to this Policy.

The bottom line is if there is a Pollution event, please contact us **immediately** so that we can report the Incident and properly protect coverage for these unexpected events; please refer to the Claims Reporting form for proper contact information.
